EDUCATION

Heritage Institute of Technology | *B.Tech*   **2023**
- Computer Science and Engineering

EXPERIENCE

MountBlue Technology   **Oct 2023 – Jan 2024**
Software engineer Trainee   Bangalore, Karnataka
- Learned about java web development
- Build many web application using java2EE technology

SKILLS

Programming C++,Java,Csharp (basic),JavaScript(basic),Sql,PostgreSql.

Frameworks Spring-boot,Servlet,Selenium, dotNet,React,Nodejs,Git,Cli,Blender.

PROJECTS

Google-DriveClone | *Github Link*   **2023**
- Tech used is Spring-boot,JPA,Google OAuth2,Firebase, Java.
- It incorporating Google OAuth2 for secure user authentication. The project enables users to seamlessly manage file and folder operations, including uploading, deleting, marking as spam, and sharing data with other authenticated users.
- Firebase serves as the backend for efficient storage and retrieval. It ensured data security through industry-standard authentication practices, demonstrating strong problem-solving skills and attention to detail in the development process.

Blog Post Application | *Github Link*   **2023**
- Tech used is Spring-boot,JPA,Spring-security.
- Designed and implemented a feature-rich blog application, showcasing a comprehensive set of functionalities. The application enables users to create, edit, and publish blog posts with a user-friendly interface.
- It incorporates features such as rich text editing,filtering,searching and category tagging to enhance content creation. Additionally, readers can engage with posts through comments . Ensured data security and privacy by integrating secure user authentication.

AutoReplyEmail | *Github Link*   **2023**
- Tech Stack: Node.js , JavaScript , Express , Google Gmail API , User Authentication Mechanism. This application enables automatic email responses while users are on vacation.
- It allows users to set up personalized vacation messages for senders, ensuring timely acknowledgment of their absence. The project includes a secure user authentication system to control access.

COURSES ‖ CERTIFICATES

2022 Web development Training from Internshala

2023 HackerRank Problem Solving (Basic) Certificate

2023 HackerRank React (Basic) Certificate.
